

King's College

King's College Chapel and the incredible Collegium Regale

Settled in the heart of Cambridge, on the banks of the river Cam, stands one of the most famous and photographed colleges in the country, Kings College. Built in 1441, these historic buildings are known worldwide for their architecture, design and splendour, providing a blend of traditional and modern facilities.

Renowned for fine food, exclusive wines and immaculate service, Kings offers the perfect setting for any event. Our fresh, innovative approach to food, served in stunning historic surroundings, offers a unique blend of food and culture.

Kings Conferences and Dining uses only the finest ingredients including local and organic produce wherever possible. We are foodies and our extensive menus reflect the creativity of our chefs.

Kings offers a variety of rooms from 30 guests, up to 312 seated guests and 500 guests for a Reception. Larger events up to 700 can be accommodated within a semi-permanent structure on the famous rear lawn overlooking the river. □
